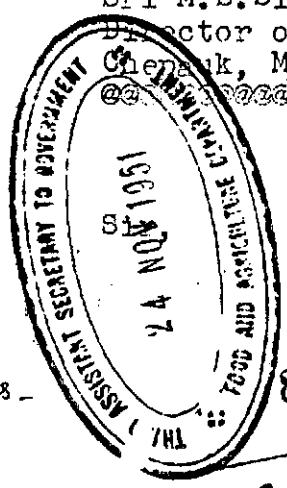
[Despatch Abstract.]

Gazetted Officers - M.A.S - Narasimhamurthi Sri. B L. Asst. Millet Specialist under the emergency provisions - Petition for promotion as Supt. A.R.S. @ Hagari - Rejected.

Agricultural Department

From
Sri M.S.Sivaraman, I.C.S.,
Director of Agriculture,
Chepauk, Madras.

To
The Secretary to Government,
Food and Agriculture Department,
Fort St. George, Madras.



No.K.1.1253/51 dated 21.11.1951

Subject: GAZETTED OFFICERS - Madras Agricultural Service - Sri B.L.Narasimhamurthi (formerly Seed Development Officer, Millets Coimbatore) promotion as Superintendent, Agricultural Research Station, Hagari (under emergency provisions) petition to Government - submitted

Asst. in millets - 80959 J

24.11.51. See Pt note below

See below

I submit herewith a petition dated 22.9.1951 from Sri B.L.Narasimhamurthi, Assistant in Millets (formerly Seed Development Officer, Millets, Coimbatore - under emergency provisions) requesting that he may be promoted as Superintendent, Agricultural Research Station, Hagari (Millet station) under emergency provisions.

2. There is no vacancy in the post of Superintendent, Agricultural Research Station, except that of Nileshwar which is a coconut station.

3. I have recommended the name of Sri B.L.Narasimhamurthi for appointment as Assistant Millet Specialist, Coimbatore, (under emergency provisions) vice Sri A. Kunhikoran Nambiar Assistant Millet Specialist, Coimbatore permitted to enter on leave in anticipation of sanction of Government (vide my letter No.K.1.1437/51 dated 15.11.1951)

Has taken charge on 8/12/51 F.N.

(5) G.O.1817 Food and Agriculture dated 14-9-1951.

****

I submit the following for your kind consideration, symapathy and favourable orders.

I am a permanent member of the Madras Agricultural Subordinate Service having entered the same on 11-12-1933, as an assistant in millets section and continued in the same section all through my service of 18 years. I was appointed as Seed Development Officer (Millets), Coimbatore, under emergency provisions (9a-1 of General rules of Madras state and subordinate services) in G.O, M.S.1364, Food and Agriculture dated 15-7-1950, which post I held from 27-7-1950 to 21-7-1951, for about an year. In K.2-1452/50 dated 5-7-1951 of the Director of Agriculture, Madras, orders had been passed, reverting me to Madras Agricultural Subordinate service.

In June,1950, when two posts of Assistant Millet Specialist were sanctioned, Sri.G.Ramabhadran and myself being the senior most assistants in Millets Section, were expecting our promotions; but at the time of posting, the Government were pleased to appoint Janab Syed Ibrahim of Paddy section, as Assistant

Millet Specialist for seed development work at Bellary, in G.O.M.S.1095 Food and Agriculture dated 5-6-1950. I submit this was the first instance of posting one from outside the section against the interest of those working in millets sectio Later in July 1950, the Government were pleased to appoint me in preference to Sri.G.Ramabhadran as Assistant Millets Specialj for seed development work at Coimbatore in G.O.M.S.1364 Food and Agriculture dated 15-7-1950 and thus Janab Syed Ibrahim an myself continued as Seed Development Officers at Bellary and Coimbatore respectively. By the selection and posting Sri.V. Krishnaswamy of Paddy section into Millet Section, as Assistant Millet Specialist, as per orders passed in K.2-1452/50 dated 5-7-1951 of the Director of Agriculture, I was reverted to Madras Agricultural Subordinate service, even though I am a permanent Assistant in millet section. I submit that this was the second instance of posting an outsider as Assistant Research Officer i millet section. On account of the selection of a Paddy section candidate as Assistant Millet Specialist and posting him into the section, out of the two posts of Assistant Millet Specialis sanctioned for the section, only one was left to be filled up, by a candidate with millets experience and Sri.G.Ramabhadran has been selected by Madras Public Service Commission, in considerati of his longer service than me, even though the Government was pleased to appoint me earlier than him and had been acting in th post for a period of about an year. Had it not been for the above selection of a paddy section candidate as Assistant Millet Specialist, there would have been two posts of Assistant Millet Specialist vacant and both Sri.Ramabhadran and myself could have got selected and my services as Assistant Millet Specialist would have regularised, without this hardship of reversion to Madras Agricultural subordinate sergice.

In the selection of Gazetted Superintendents for Agricultural Research Stations, that took place in April 1951, the criterion for selection of candidates was taken to be the experienc in the Main crop of the station, which the Superintendent had to hold charge of. On account of this consideration only, those with EXPERIENCE in paddy were taken over though they were juniors, since

most of the stations were having the main crop as paddy seniors from other sections were not taken. Besides this consideration, the view taken by the Services Comission with regard to those candidates who were already acting as Assistant Research Officers was, that they would do well to continue in those posts where they gained experience and get regularised. Thus I was one of those who were holding an Assistant Research Officer's post at that time and lost chances of selection as Gazetted Superintendent but with the additional misfortune of not continuing in the Assistant Research Officer's post, due to circumstances stated above.

With the posting of Sri.G.Ramabhadran as Seed Develop- Officer (Millets) Bellary, in G.O.M.S.No.1743 Food and Agricultu Department dated 1-9-1951, the Government are pleased to appoi Janab Syed Ibrahim in G.O.M.S.No.1817 Food And Agriculture da 14-9-1951, to act as Gazetted Superintendent Agricultural Re Station, Samalkota, in view of his experience in Paddy, si main crop of the station is paddy. On the same anology, kindly permitted to point out that the main crops of Agr Research Station, Hagari are "Millets" and the criterio the Superintendent for the station should have been ex millets. Formerly when Dry Farming Research were c the station, the post of superintendent of the stat only by persons from Millet Section. But now, Sir at this Dry Farming Station, the post of the Sup been given to an officer from the paddy section.

I was working in millets section from t my service-end was responsible for the evolution strains in Cholam, Ragi and Cumbu for Guntur an tracts and these strains are popularly spreadi finding favour with the cultivators. I have be sincerely and to the best of my capacity, di to the entire satisfaction of my superiors an get any adverse remark from higher authoriti

my experience in millets and the hardship of reversion after one years' of Gazetted service, I request that my case for posting me as Superintendent, Agricultural Research Station, Hagari, which is a millet station, may kindly be considered and favourable orders passed for which act of kindness, I shall ever remain grateful.

I beg to remain
Sir,
Your most obedient servant,

B.L. Narasimhamurthy,
22-9-51

Seed Development Officer (Millets)
(on leave).

Lawley Road Post,
Coimbatore,
22.9.51.

Endorsement No.B.1.2648/51 dated 22.9.51

Submitted for favourable consideration and orders.

2. Sri B.L. Narasimhamurthy, has put in 18 years of service in Millet Section and has done very good work. The Improved strains in Millets evolved by him for Guntur and Vishagapatnam tracts where he had worked, are very popular and spreading. As Seed Development Officer (Millets) Coimbatore, he was keen on his work and did his best.

His reversion to Madras Agricultural Subordinate Service after one year's Gazetted Service has happened, because persons from outside Millet Section have been posted into Millet Section. The Agricultural Research Station, Hagari is purely a dry farming station with millets as main crops. It is appropriate that an officer with experience in millet crops, is posted as Superintendent of the Station. Formerly only officers with experience in millets were posted.

I strongly recommend that Sri B.L. Narasimhamurthy may be posted as Superintendent, Agricultural Research Station, Hagari under the emergency provisions, (Rule 9a-1 of the General Rules of the Madras State and Subordinate Service) for the present, till he is appointed in regular service.

P. Krishnarao 22/9/51

MILLET SPECIALIST.

Sub: Public servants - Agricultural Department - Sri B. L.Narasimhamurthy, Assistant in Millets, promotion to M.A.S. as Superintendent, Agricultural Research Station, Hagari - Petition.

Ref: From the D.A. K1-1253/51 dated 21-11-1951.

To A.S.

The D.A.'s letter at p.1 c.f. forwarding a petition from Sri B.L. Narasimhamurthy may be perused.

2. Sri B.L.Narasimhamurthy is a permanent Assistant in Millets. He has put in about 18 years of service in the Millet Section. He is now temporarily under the emergency provisions as Assistant Millet Specialist in the leave vacancy of Sri A. Kunhikoran Nambiar. The present temporary appointment will expire on 31-1-1952 A.N. unless Sri Nambiar extends his leave. He now points out the Govt. have appointed Janab Syed Ibrahim as Superintendent, A.R.S., Samalkot under the emergency provisions on the ground that the main crop of the Station is paddy and that he belonged to that section. He therefore represents that main crop of A.R.S., Hagari, is millets and that he may be appointed to that Station as Superintendent. The D.A. has forwarded the petition to the Govt. and has stated that there is no vacancy in the post of Superintendent, A.R.S. except that of Nileswar which is a coconut Station. It may be stated that the assumption of the petitioner that Janab Syed Ibrahim was appointed because he belonged to the paddy section is not correct. The post of Superintendent at Hagari is also not vacant. In the circumstances there does not seem to be any ground for taking action. For orders whether the petition will be rejected.
